than thirty years experience,

**John holds the order of the
master baker from Belfast,
and the City and Guilds Bakery
Certificate certifies him as the
repository of many decades of
baking tradition in the
authentic old style. So now you
can have Potato Bread, Irish
Crusty Bread, Brown Bread,
Raisin Scones, and off course
Soda Bread, all made in the
very same fashion with the very
same ingredients that your

great-grandparents might
have enjoyed.**
